

Kindly amend the claims as follows:

1. (currently amended) A cloth carpet comprising at least a first layer and a second, wherein the first layer is made of a woven cloth of basis weight between 1100 and 1500 g.s.m. produced of yarn of 100% wool or yarn made of wool with ca. 10% admixture of textile ~~fabrics~~ fibers, and is combined by gluing, sewing, tufting or milling the second layer, wherein the second layer is woven cloth or ~~an~~ a woven industrial fabric.

2. (previously presented) The carpet according to claim 1 wherein fabrics forming fleece cover or designs are placed on an upper surface, on a lower surface, or under a lower surface of the first layer.

3. (previously presented) The carpet according to claim 1, wherein textile pieces and/or fleece pieces and/or strips and/or flat patches and/or elements and/or flat appliqués and/or convex designs are fixed to an upper surface of the first layer by gluing, sewing or milling.

4. (currently amended) The carpet according to claim 1, wherein the first layer is formed of a milled woolen woven fabric where part of threads of weft and/or warp are made of non-woolen ~~fabrics~~ fibers.

5. (canceled)

6. (canceled)
